

21<sup>st</sup> August 2020

Dear Fellow Owners,

It is with delight that I write to inform you that as of yesterday August 20 the Government advice on travel to Portugal has been updated. Portugal is now exempt from the FCO advice against all non-essential travel and as of 04:00 on August 22 Portugal will be added to the list of countries where self-isolation on return to the UK is not required.

To ensure we are able to welcome you in a controlled and safe manner, we require **all owners who are intending to travel to the Resort to confirm their travel plans with Resort Solutions prior to their departure**. Accordingly, owners are **requested to confirm their travel plans no more than 2 weeks in advance of their arrival date**. This can be done via completion of the holiday planner which can be completed and submitted via the Owner Services section of the Resort Solutions' website or by phoning the Resort Solutions office on +44 (0)1858 431160.

Owners are encouraged to continue check official websites for the latest guidance on the situation in Portugal as this can be subject to change at short notice.

We look forward to welcoming you back to Monte Carveiro!

Yours Faithfully

Peter G. Kennedy  
Acting Chairman.
