Dear Members,

Since sending out the AGM notice Government advice has again moved on, and we have been advised by the Three Swans Hotel that they are enforcing the “rule of six” for all gatherings. Accordingly, as the situation stands today, members will not be able to attend the AGM in person.

Despite ever changing Government advice with regards to the rules in place for public gatherings, the Committee feel that it is important to hold an AGM before the year end, therefore we have agreed that the only option is to hold a virtual meeting.

The AGM will be held via “Zoom” and any member wishing to view the AGM content will need to contact Resort Solutions to register their interest. Our Zoom account is limited to 100 participants; therefore places will be allocated on a first come first served basis. Please email admin@resort-solutions.co.uk to register your interest. If you are successful, a meeting ID and passcode will be emailed to you ahead of the meeting.

As you will appreciate, we are dealing with a great deal of uncertainty and whilst this is not ideal, it seems the only way we can hold the meeting. Please can I encourage you to send in any questions in advance of the meeting. Questions will be covered at the end of the meeting with responses included in the minutes.

I would also stress that the quorum for an AGM is 20 attendees. If we are unable to achieve this quorum, we will need to suspend the AGM to a future date.

Finally, please can I remind all Members to ensure that RSL has their up to date email address as in order to save costs we are moving towards all correspondence being sent via email, to include the AGM minutes.

Thank you in advance for your understanding and on-going support.

Kind regards

Laurence Taylor,
Chairman.
